MESSAGE NOTES

Pastor Bill Ehmann

Only the Gospel according to John records what we read in chapters 13-17. Jesus is about to leave. He is preparing the disciples to carry His message to the world. He gives them instruction, warning, encouragement and example.

The disciples appear to be unaware of much of what they are hearing – and definitely troubled by it. After Jesus' resurrection a few days later, they began to understand. When the Holy Spirit indwelt them, they developed into the men Creator God used to launch His church.
