# MESSAGE NOTES

*Pastor Bill Ehmann*

The Book of James is located near the end of the New Testament but was likely written during the early years of the Church. Although sometimes misunderstood to promote Salvation based on doing good deeds, the intent is focused on putting the Grace that brings people to Jesus to work doing His will.

This is an amazing practical outline for followers of Jesus to use as a tool of evaluation of our daily living. Information about grace and truth without application of a life of holiness misses the purpose for which believers in Jesus are left on Planet Earth for a while after coming to know Him.
