### *"Walking in Love With Jesus"*

Book of 2 John

Second and Third John are short letters with much emphasis on "love" and "truth," which is consistent with the other letters by the Apostle John.

A study of the history of the Christian Church reveals the power of love and truth at work when the church is doing well and the heartache and damage done by people when those ingredients are lacking. It is the will of God that followers of Jesus practice love within the boundaries of truth.

1. What it means to "love the church" vs. 1-2
2. Grace, Mercy, Peace – alive in the church v. 3
3. Walking in love in the church vs. 4-6

4. Identifying false teachers and avoiding them vs. 7-11
5. A letter or "face-to-face" conversation vs. 12-13

## Note:

The Apostle Paul talked about "speaking the truth in love." That combination works effectively in all relationships. Truth without love becomes harsh and legalistic. Love without truth becomes compromise.
