### "Living Godly Among the Ungodly" *Book of Jude*

Jude and II Peter include some similar statements. There is debate about who copied from the other. Both letters were likely written in the late 60's or after. Jude appears to have started writing a letter of encouragement but realized the errors that were creeping into the church. He changed his focus and declared some strong warnings.

The final two verses are familiar to most people who have been in church for a while. After hearing the exhortations of verses 3-23, those who received the letter must have felt a sense of relief and confidence – a privilege we enjoy as well.

1. Pattern for writing a difficult letter vs. 1-3 & 24-25
2. What it means to "contend for the faith" v. 3
3. The boundaries of Grace v. 4
4. Examples of God's Judgment vs. 5-16

5. Reminders of what is in the future vs. 17-19
6. Contending for the Faith today vs. 20-23
7. Security and Hope for believers vs. 24-25
