MARCH 18, 2018

9:30 & 11:00 am

As we approach the celebration of Easter and the Resurrection of our Savior, we will walk His path to Glory through the cross. By walking this path over the next three weeks, which will include Good Friday, we will prepare our hearts to remember and grasp the wonder of Salvation and the depth of God's love for us.

The Price of Glory in Action	vs 29-34

The price of Glory in God's Kingdom is humility – demonstrated by service and sacrifice. Man's natural inclination for glory is position and power.

Humility 101

Humility – Is not self-depreciation

Humility – Is a disposition of gratefulness

Humility – Is a posture of service

Humility – Is a conviction towards self-sacrifice

Humility – Is not taught, it is modeled

Humility – Is not an act of will, it is what you obtain

How do we pursue humility?

Follow the example and teaching of Jesus

- Seek His wisdom and His ways and respond
- Give sacrificially (of what is most valuable to you)
- Serve someone who is in need (discipleship)
- Pray for real things, for real change
- Get involved with your church
