

MESSAGE NOTES

JULY 1, 2018

9:30 & 11:00 am

There is no “one size fits all” when we describe the people who follow Jesus and are considered members of His Church. This is very evident with the group that gathered with Jesus to eat the final Passover Meal and celebrate the first Communion or Lord’s Supper.

Jesus never misses an opportunity to disciple His children – and when necessary to weed out a false follower. That dinnertime event demonstrates His pattern and each of us can relate to our place at the table.

1. Disciples who were careless vs. 1-5
2. Disciple who was arrogant vs. 6-11
3. Disciples who needed more training vs. 12-17
4. “Disciple” who was not a disciple vs. 18-30
5. Disciples who were given one command vs. 31-38

The patient coaching of Jesus in this event is our example to follow as we work with each other in the process of growing into maturity and usefulness.

May our Communion fellowship time today bring us a step closer to full surrender to Christ and His mission for our life and this church.
