In Hebrews chapter 9, we learned that the tabernacle was a picture of Jesus and He fulfilled everything it symbolized. Chapter 10 begins by reminding us that the law was a shadow of Jesus and He fulfilled all of its requirements. This chapter warns us of the consequence of rejecting Jesus and the reward that comes to faithful followers.

1. The Law was a Shadow – Jesus is Reality
vs 1-18
2. Living in the Reality of God's Presence
vs 19-25
