HEBREWS 11 - THEY LIVED BY FAITH

"ABRAHAM —  
TRUST WITHOUT DETAILS"

Hebrews 11:8-19

How much direction and how many details do we need to trust someone? Can we think of a time when we took a risk and followed someone without assurance of where they were taking us – without a map? Welcome Abraham!

1. "Obeyed and went even though he did not know where he was going." v 8  
Genesis 12:1-4
2. "Lived in a tent in a foreign country." v 9  
Genesis 13:3-4      Tent and Altar
3. "Anticipated inheriting a city designed and constructed by God." v 10  
Genesis 15 & Hebrews 11:16
4. "Became a father when he was too old to have children." v 11  
Genesis 21:1-5
5. "Contemplated so many descendants they could not be counted." v 12  
Genesis 15:5

6. "Reasoned that God could raise the dead." v 19  
Genesis 22:1-18
7. "Believed in the Lord; and He reckoned it to him as righteousness."  
Genesis 15:6

## Life Lessons

1. Our walk with God and enjoyment of His Presence is related directly to our decision to trust Him.
2. A "tent attitude" and "altar routine" are essential to enjoying a peaceful adventure with God.
3. God does not guarantee a road map, but He does offer a relationship.
4. There is no greater gift than to be "reckoned righteous" by Creator God.
