

LARRY & CLAIRE BOGGS

Larry and Claire Boggs have served as missionaries in Guatemala during the past 40 years. They have established churches and an orphanage, as well as offering coaching and training to pastors and church leaders.

Believing it was time to hand off the ministry to local leaders, including their daughter and son-in-law who now operate the orphanage, they returned to their home near Wichita, Kansas. Since most of their family live in the Pacific Northwest, they decided to move to this area.

Through contact with WorldVenture leaders, Larry, Pastor Bill and Pastor Tom began an email journey that resulted in the Boggs visiting WVBC in March. Our Missions Ministry Team and the Elder Board agree that Larry and Claire should become a part of our Missions Team. In God's gracious timing, a WVBC family has committed extra missions funding for this additional ministry to begin.

(continued on reverse)

Larry and Claire are fluent in Spanish, understand the culture and will provide vital help for Pastor Tom and his team who minister to the community. We are confident that God has brought this couple to our ministry at this crucial time. They have purchased a home and have been active at WVBC since the middle of August.

Interestingly, Claire's father, Mel Erickson, was the first pastor at WVBC in the early 1950's. Claire is coming "home," bringing Larry with her, to join the WVBC Family and serve Jesus in this community.

Occasionally, the Boggs will return to Guatemala for leadership development and coaching ministries, along with construction projects. Perhaps some of the WVBC family will work with them on these trips. Ask them about this.

We are excited to see how Larry and Claire have immersed themselves in this ministry. Thanks for praying for them.

~ *Pastor Bill*

NEXT SUNDAY

November 4,
2018
9:30 &
11:00 A.M.
