

Message Notes

JANUARY 20, 2019

9:30 & 11:00am

Awareness of and appreciation for people who serve as examples and hold us accountable is necessary for our being useful in fulfilling the reason God leaves us on Planet Earth for a while (Hebrews 12:1-6).

Another necessary ingredient is to understand and submit to discipline. While often viewed as a negative concept, true discipline is a gift from those who love us – especially from Jesus.

1. Discipline: Healthy, Positive Discipleship

v. 7 Hardship – education, training, correction, instruction, nurturing

Love – sometimes the need for “tough love”

v. 8 Privileged position of a son

v. 9 Discipline, respect, submission, trust

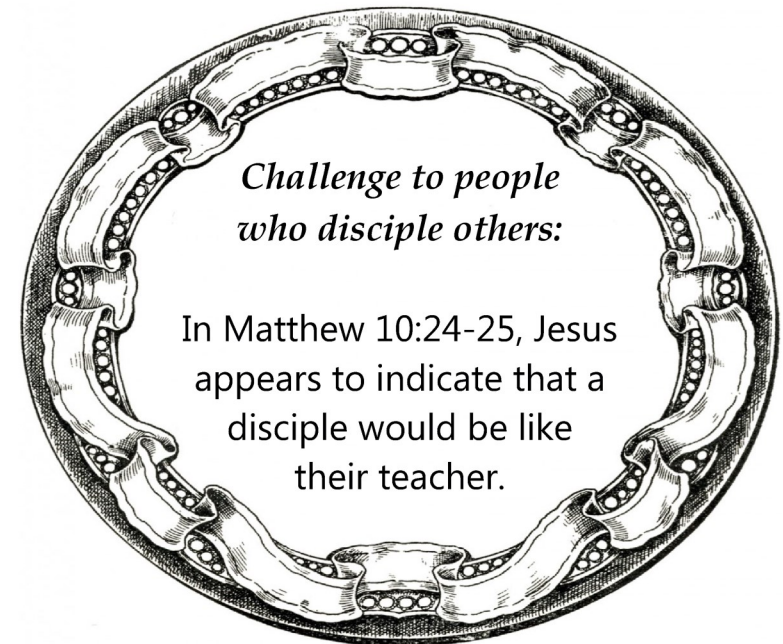

2. Discipline in Righteousness

v. 10

3. Discipline in the Journey to Usefulness v. 11

4. Discipline that Endures

vs. 12-13
