HEBREWS 12 & 13
FOLLOWERS OF JESUS DOING LIFE

"THINK TEMPORARY"
Hebrews 13:9-17

Doing life on Planet Earth, humans struggle with balance. The problem started in the Garden of Eden when the counterfeit god, Satan, interrupted the beautiful balance in all of creation.

One extreme is to think only of today with disregard for the consequence of choices. The opposite is to be so focused on the future that we miss the joy and usefulness of today.

The Scripture today helps us to pursue a balanced life with Jesus that influences our personal experience and relationships with other people.

1. Follow Truth and Grace
v. 9

2. Prepare for – and be willing – to suffer
vs. 10-13

3. Anticipate the future v. 14
4. Practice gratefulness v. 15
5. Live unselfishly v. 16
6. Respect authority v. 17

Ponder this:

Someone described a balanced life experience as learning to live in "the eternal now."
