The event that changed history forever was played out on Mount Calvary. Jesus' death on the cross is an ugly scene. Roman crucifixion was the cruelest of procedures, designed to be torturous and agonizing almost beyond comprehension.

Jesus had to die in order to provide the remedy for our sin. His Golgotha trauma becomes for us a gift because we know the rest of the Story – Jesus rose from the grave and is alive today. Lines from a song say it well: "I believe in a hill called Mount Calvary, I believe whatever the cost, and when time has surrendered and earth is no more, I'll still cling to the old rugged cross."

1. The events from Jesus' arrest to the crucifixion on Mount Calvary
2. The people who participated in the crucifixion process

3. The observers of the crucifixion event
4. The Words spoken by the dying Savior Jesus
5. The evidence that Jesus is Messiah Savior
6. The darkness of sin
7. The Light in the midst of seeming hopelessness

Remember:

We appreciate Jesus more when we honestly ponder what He endured to bring us to Him.
