## "WHAT DAY-TO-DAY CHRISTIAN LIVING LOOKS LIKE"

*Philippians 1:27-30*

### Questions to Ponder:

1. If someone observed me for a typical 24 hours of my life routine, observing my attitude and behavior, would they conclude that I was following in Jesus' footsteps?
2. What does it mean to "conduct ourselves in a manor worthy of the gospel of Christ"?

### Principles to Guide Jesus' Followers:

1. Avoid isolation – practice rigid accountability. v27a
2. Demonstrate unity – practice "one mind" determination. v27b
3. Be confident – practice a winning attitude. v 28

4. Accept hardship – practice submission to Jesus. v 29

5. Remember mentors – practice what we observed. v 30
