*"Prepared to Pray Consistently"*

*Daniel Chapter Six*

The story of Daniel in the Lion's Den might be one of the most familiar in the Bible. Like Three Men in the Furnace, it is one of many recorded miracles.

It would be easy to enjoy the story and miss the significance of Daniel's prayer life. Consistent prayer is so important to followers of Jesus, yet so easily neglected during the busyness of our days.

Daniel was an elderly man when this event took place. His commitment to prayer was directed by God's command as recorded in Kings and Jeremiah.

1. Daniel Excelled Again vs 1-3
2. Jealousy Continues vs 4-5
3. A Crafty, Nasty Set-Up vs 6-9
4. A Lifelong Commitment to Prayer v 10

5. Busted for Doing Right vs 11-16
6. The Restless and the Rested vs 17-18
7. The Rest of the Story vs 19-28

## *Principles*

1. If we believe in something enough to give our life for it, we need to be sure God agrees it is that important.
2. A lifelong practice that has become our personal conviction should not change when we get older.
3. When God is guiding us, we can trust Him more and fear ungodly people less.
