SERIES: **DARE TO BE A DANIEL**

"Prepared to Wait Patiently"

Daniel Chapter Twelve

Chapters 9, 10, 11 and 12 are filled with "things to come." The numbers, years and weeks have a mystical language that leaves us with many questions. There are kings and kingdoms presented in images that represent future dominions – much of which can easily be understood today because they so accurately describe what has actually happened. Many people do not accept Daniel's prophecy but rather say it is a record after the fact – it is that detailed and accurate.

Chapters 10 and 11 predicted what actually happened during the more than 400 years between the end of Malachi and Matthew. The Land of Israel was the battleground for conquering kings of the north and south as they challenged each other for dominance. No wonder Daniel was not given an answer to his question in 12:8 – it would have been too painful for him to hear.

Daniel was told to go about his daily assignments and wait for God to reveal and explain the information in His time. Daniel wanted to know more, but he would have to wait.

1. Examples from waiting that were refused
2. Examples from waiting that were honored
3. Directions from God to wait
4. Making the right choice

"I would have lost heart, unless I had believed that I would see the goodness of the Lord in the land of the living. Wait on the Lord; be of good courage, and He shall strengthen your heart; wait, I say, on the Lord!" Psalm 27:13-14 NKJV
