SERIES: **DARE TO BE A DANIEL**

*"Prepared for the Key Moment"*

*Daniel Chapter Five*

The Bible has many examples of individuals who had the privilege of standing up for God at a key time and often alone. Consider Noah, Abraham, Joseph, Moses, Samuel, David, Job, Esther and the ultimate example, Jesus, who inspired the Apostles. Daniel is another person who cared more about God's approval than that of humans – even powerful world leaders.

1. Some History of Babylon
2. Belshazzar's Feast vs 1-4
3. The Fingers of God vs 5-7
4. Where Was Daniel? vs 8-9
5. The Queen Mother vs 10-12

6. The Interpretation and Judgment vs 13-28

7. The Gold Head Goes Away vs 29-31

## **Principles**

1. Being at the right place at the right time does not just happen; it is part of the life journey of a child of God who follows Jesus daily and genuinely.
2. When you think your usefulness in God's kingdom might be completed, be patient; your greatest contribution may be still ahead.
3. God's Grace is amazing and it sometimes appears He is giving extra time, but time will run out, judgment will fall and there will be no second opportunity to believe Him. Remember Belshazzar.
4. We may be in our present place of opportunity "for such a time as this." Remember Queen Esther.
