CHESS *for*
SUCCESS

Chess for Success is a youth development program. Through learning chess, students develop high-level critical-thinking and problem-solving skills.

TUESDAYS & WEDNESDAYS
4:00- 5:00PM
BEGINS IN JANUARY

We are looking for volunteers to teach and play chess with students. This is a new program we are offering to our community. Prayerfully consider helping!

We encourage everyone to engage in worship in a manner that is most meaningful to them. Please keep in mind, however, that some attenders are physically unable to stand for long periods. Please be courteous of those around you! If those behind you do not wish to stand and you prefer standing, try not to block their ability to participate. Thanks!

Reminder

Contributions for 2021 must be in the church office by midnight December 31 or postmarked by that date. Just a reminder: Online giving is available through the church website. You can also donate using Cash App, Venmo or Paypal (QR codes are on the back).
