

EASTER CELEBRATION

Easter Sunday was a great celebration of the resurrection with hundreds of our neighbors. We hosted over 100 children for our Easter egg hunt and many of the families stayed for our Easter service and the Gospel Message. Several left their contact information wanting to know more about Jesus. Thank you Lord and thank you church family for serving!

THANK YOU!

So many volunteers! Our kitchen staff fed and served breakfast to the community on Easter morning. We had beautiful decorations, a welcoming coffee cart, over 3000 eggs for the egg hunts, and lots of friendly greeters!

BAPTISMS

What a joy it was to celebrate the baptisms of four of our new brothers and sisters on Sunday, April 2. Their testimonies of faith inspire us to be persistent in prayer and have great expectations for the Holy Spirit to move in our church and community. Congratulations to Noah Fast, Raul Magana, Braian Garcia and Glenda Washington.
