

SERVING *as* WORSHIP

In this newsletter as in all of our newsletters, we celebrate our efforts as a church to be witnesses to the Gospel. You will read about a youth beach trip, a soccer camp for kids, a men's fundraiser to help pay for men to attend a retreat, and a clothing giveaway for our neighborhood. Each of these events are very intentional, to create opportunities to spread the Gospel. This is our vision at WVBC. And this vision is made possible by those who are servants. None of this is possible without God's people who sacrifice their time and energy to serve the one they love, Jesus.

I am grateful for your sacrifice.

CLOTHING GIVEAWAY

The Clothing Giveaway was a huge success! We planned on giving away mainly women's clothing but were able to hand out loads of clothes for children and men also. Thank you for those who contributed clothing! Any clothing not taken at our event was donated to My Father's House and Portland Adventist Community Services.

YOUTH BEACH TRIP

Cannon Beach gave us the perfect Oregon beach day. We arrived in the morning and it was windy, soon it became foggy and damp, eventually the sun broke through and we ended the day with clear skies. Our group was a fun mixture of kids we know and kids we didn't know yet. We're excited to see everyone back in a couple weeks for youth group!

YOUTH SOCCER CAMP

We had a great soccer camp with Coach John Michael, Coach Phe-Phe and Tom, Yiu-Tak and Patrick as pawns! Kids came out for three weeks and learned some soccer skills- but more importantly, they learned about how Jesus created them and he is always with them. We look forward to seeing how the Spirit might lead us to similar outreaches in the future!

SEPTEMBER ANNIVERSARIES

BLOCKED FOR PRIVACY

Evan Schrenk grades out the site where he assisted in the installation of a new gate at the church's west property line, restricting vehicle access to the sports field. Evan and his wife, Virginia, generously donated the gate.

MEN'S FUNDRAISER

Much thanks to the WVBC family for your support and participation in the Car Detailing Fundraiser for Men's Ministry in August! The fundraiser provides for scholarships and reduced costs to men who will attend our next Men's Retreat in the spring. And our praise to God who provided a great day, enabling His servants of 14 men and youth to detail or wash about 25 vehicles, and to clear about \$1,400 towards the next retreat!
