

WE WILL NOT GROW WEARY *or lose heart*

God tells us that our faith will take effort if we are to endure and not grow weary. (Heb 1:1-3). We all know this from personal experience. The world is full of distractions and temptations that are designed to entangle us and weigh us down. Maybe this is most evident at this time of year when our traditions can be distractions.

So, let us run this race together. Let us all help each other to fix our eyes on the one who will carry us to the finish line, Jesus. And with all the good things we are planning to do this Christmas, let us help each other to consider Him in all the things that we do.

“Consider him who endured such opposition from sinners, so that you will not grow weary and lose heart.” (Heb. 12:3)

~ Pastor Tom

FALL SERVICE PROJECT

A record 27 volunteers served a record 18 households during our Fall Service Project on November 18. The LORD greeted our smiles and good cheer with a partly sunny day and warm appreciation from the WVBC family. Praise to God for His blessings these past 25 years of doing this project, as we've shared in fellowship, worship, and sacrificial service and care to our church family. Also, a big thank you to our servants as well as those who voiced their need for help, attendees and neighbors alike. Praise God for his amazing plan for His church.

~ Craig Crandall

WOMEN'S DINNER FOR 8

Thank you to our hostesses who planned and provided dinner for a group of ladies on November 3. About 30 women gathered in four different homes to enjoy conversation and getting to know one another better. Lots of food, fun and laughter was shared that evening!

ODE TO POTATO

Ode to Potato was a success. We ate a bunch of different potato foods, used rotten potatoes to make derby cars, and one of the students even prepared a poem to recite! Despite all the fun, the purpose was to talk about God's generous abundance, his desire to bless his people and the responsibility we have to be good partners with him in making the world a hospitable place. ~ Pastor Patrick

Common Bread is my favorite event that we have at the church. We gather together to eat good food and grow in unity together, but most importantly we read the scriptures. Then we reflect on their truth and praise God for who he is and all he's done for us.
