

“We Worship Together in Spirit and in Truth”

Tim Collins

The “What” of Worship?

1. Worship is a whole person response to the truth of who God is and the things that He has done.
 - a. Individually and corporately
 - b. Comprised of both words and actions
2. Two ideas in Scripture that we translate as “worship”
 - a. To bow down
 - b. To work / serve / sacrifice
3. We worship in spirit and in truth
 - a. Empowered by the Spirit
 - b. Blending the heart (emotion) and the mind (intellect)

Worshiping Jesus together (bowing down)...reflecting His kingdom love (work / serve / sacrifice)

The “Why” of Worship

1. Because He is worthy
2. Because we were made to worship

True worship is acknowledging to Yahweh and before others that we value Him above everything else. It is directed and empowered by the Holy Spirit, enabling us to discern His will. We know that gathering for worship both unifies us with one other and transforms us before Him at an essential level. So, we respond to the Spirit’s leading in word and action.
