“The Role of the Scriptures in Our Church”
Patrick Vestal

We believe the Scriptures are precious and transforming. (WVBC Identity)

We hold to the Reformation value of Sola Scriptura, or Scripture Alone.

We believe the Bible is God-breathed, entirely trustworthy, and useful for teaching, rebuking, correcting, and training in righteousness.

We believe the Bible is the source for the truth about God, humans, sin, salvation, and the future.

So, when questions arise, we look for examples and relevant teachings in the Bible.

Then, we look for the Spirit's leading, study the Scriptures, and respond together.
