

The Bragging Rights of the Believer
 “An IQ test for the Church Part 1”
 1 Corinthians 1-2
 Tom Miles

The unifying principle of God’s people: The grace of the faithfulness of God.
 1:1-9

Human problems in the church need correction. The solution: Focus on Christ and the cross. 1:10-17

True Wisdom is found at the cross. Worldly wisdom leads to death. 1:18-2:5

- The **wisdom** of the world is **foolishness** to God and the message of God is foolishness to the world.
- We have much to **boast** about in Christ- all other boasting is utterly worthless
- **Status** in the world is irrelevant to the kingdom.

The Church must yield to the Spirit and not to the world. 2:6-16
