

The Bragging Rights of the Believer
Corinthians Review & Response
Patrick Vestal

THEMES

We have much to boast about in Christ—all other boasting is utterly worthless.

The Body functions best when all members contribute as they are gifted.

God has given us much, so we respond in gratefulness and generously give our time, resources, and love.

The wisdom of the world is foolishness to God and the message of God is foolishness to the world.

Status in the world is irrelevant to the kingdom.

Care-filled love is the clearest marker of true spirituality.
