

BLESSINGS

God has blessed us with an amazing campus. He put it on the hearts of those who came before us to invest and care for this church and the land we are on. By doing so, we have been able to use it to bless our city and community.

Hosting Wood Village Nite Out is an opportunity to share what belongs to Jesus with our community. But this only a part of it. The biggest blessing we offer is ourselves. Serving the city and community is giving what is most valuable to him, his body, his people. We are his hands and feet...and we are his heart. Make no mistake, this is noticed by people. Sacrificial giving with loving kindness is divinely powerful when directed by the Spirit. He goes before us and speaks to and changes hearts.

I want to thank our 50+ volunteers for serving the estimated 1800 people from our community. You served with smiles, laughter, kind words, and open hearts.

The City of Wood Village asked me to thank you on their behalf. They are very grateful.

Well done WVBC.

WITH LOVE, TOM

VACATION BIBLE SCHOOL

We kicked off VBS with a great start, with over 50 kids attending and hearing about God as our creator! We had so many wonderful volunteers investing in these children and showing them the love of Jesus! Thank you for praying for this outreach program, and please continue to pray that the kids will hear the truth and be receptive and soak in the message!

MEN'S CAR WASH FUNDRAISER

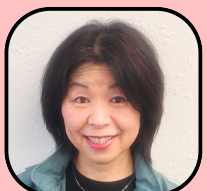

MUCH THANKS to the WVBC family for their service and generosity toward the Men's Ministry Car Wash & Detailing fundraiser on Saturday, July 11! Ten volunteers younger and older detailed and/or washed 15 vehicles raising more than \$1400 to aid in our funding for the next Men's Retreat. It was a beautifully mild morning and early afternoon for serving the church family in this way. We are so grateful to all who participated with joy, and in fellowship and gratitude - bringing snacks, bringing their vehicles, doing the work, and donating even though they couldn't come that day. Praise God!
